

Every Choice is the Right Choice

ChoicePak® Frozen and Shelf-Stable Dispensed Beverages
from Nestlé Professional Vitality

Whether you choose frozen concentrate, shelf-stable concentrate, or both, ChoicePak® delivers the same result every time... a delicious, refreshing serving of juices and juice drinks. This complete line of frozen and shelf-stable dispensed beverages gives you great flavor variety plus convenient storage options. Add to that the fact that ChoicePak is easy to load, easy to use, and easy to clean, and you'll quickly see how you can increase your per-serving profit.

Choice means options

- Works with both frozen and shelf-stable products – you choose which works best for your serving and storage needs. Mix 'n Match feature allows you to serve all frozen, all shelf stable or both in the same dispenser.

Choice means variety

- Broad flavor portfolio

Choice means opportunity

- Front loading means more convenience and is an efficient alternative for bag-in-box users.
- All packaging is completely sanitary.
- The ChoicePak 128 oz bottles work in a variety of dispensers, including the IMI Cornelius Quantum and Quest machines, and the Bunn® Gourmet Juice™ system.
